## **SUMMARY ANNUAL REPORT FOR CENTRAL ILLINOIS CARPENTERS HEALTH AND WELFARE TRUST FUND**

This is a summary of the annual report for the Central Illinois Carpenters Health and Welfare Trust Fund, Identification Number 37-1117215, for the plan year beginning January 1, 2016, and ending December 31, 2016. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974, (ERISA). The Central Illinois Carpenters Health and Welfare Trust Fund has committed itself to pay certain medical, prescription, life, dental, vision, and loss of time claims under the terms of the plan.

### Insurance Information

The Trust Fund has a contract with VOYA to pay the following types of claims incurred under the terms of the plan:

- Stop-loss claims

Because it is a so-called, experience-rated contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2016, the premiums paid under such experience-rated contract were \$562,538 and the total of all benefit claims paid under the experience-rated contract during the plan year was \$875,575.

### Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$24,619,048 as of December 31, 2016, compared to \$20,535,429 as of January 1, 2016. During the plan year, the plan experienced an increase in its net assets of \$4,083,619. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$27,682,096. This income included employer contributions of \$22,592,270, employee contributions of \$2,214,826, realized losses of \$1,801 from the sale of assets, and earnings from investments of \$2,388,505.
